

ISN
International Society
for Neurochemistry

Certificate
for
International Society for Neurochemistry
and
International Brain Research Organization

Poster Award
conferred to
Bettina NADORP

The Hebrew University of Jerusalem, Jerusalem, Israel

for the poster entitled

*“Human-characteristic expression pattern of the primate-specific Cholinergic-608
in engineered ‘humanized’ mice”*

Certificate

for

Lee's Pharmaceutical Holdings Ltd.

and

Wah Kin Holdings Ltd.

Young Chinese Investigator Poster Award

conferred to

Cathy W C BI

The Hong Kong University of Science and Technology, Hong Kong, China

for the poster entitled

"Flavonoids induce the expression of acetylcholinesterase in cultured osteoblasts"

ISN
International Society
for Neurochemistry

Certificate
for
International Society for Neurochemistry
International Brain Research Organization
Poster Award

conferred to

Eugenie NEPOVIMOVA

University of Defence, Hradec Kralove, Czech Republic

for the poster entitled

*"7-methoxytacrine-4-pyridinealdoxime hybrid as novel prophylactic agent
with reactivation properties in organophosphate intoxications"*

Certificate
for
Lee's Pharmaceutical Holdings Ltd.

and

Wah Kin Holdings Ltd.

Young Chinese Investigator Poster Award

conferred to

Ftta Y L LIU

The Hong Kong University of Science and Technology, Hong Kong, China

for the poster entitled

*"Erythropoietin (Epo)-induced signaling is interfered by acetylcholinesterase (AChE)
in erythroblasts and neurons"*

ISN
International Society
for Neurochemistry

Certificate

for

International Society for Neurochemistry

and

International Brain Research Organization

Poster Award

conferred to

Adrianna WYSOCKA

Nencki Institute of Experimental Biology, Warsaw, Poland

for the poster entitled

“Attenuated staining of cholinergic markers in the basal forebrain in murine model of Alzheimer's type tauopathy but not of frontotemporal lobar degeneration tauopathy”

Certificate

for

Lee's Pharmaceutical Holdings Ltd.

and

Wah Kin Holdings Ltd.

Young Chinese Investigator Poster Award

conferred to

Miranda L. XU

The Hong Kong University of Science and Technology, Hong Kong, China

for the poster entitled

"The enhancement of acetylcholinesterase by Wnt3a in osteoblast: a signaling mediated by Runx2"

ISN
International Society
for Neurochemistry

Certificate

for

International Society for Neurochemistry

and

International Brain Research Organization

Poster Award

conferred to

Tamara ZORBAZ

Institute for Medical Research and Occupational Health, Zagreb, Croatia

for the poster entitled

“The effects of organophosphorus compounds and novel antidotes on human neuronal cells”

ISN
International Society
for Neurochemistry

Certificate

for

International Society for Neurochemistry

and

International Brain Research Organization

Poster Award

conferred to

Samira ZTAOU

Aix-Marseille University, Marseille, France

for the poster entitled

“Optogenetic and pharmacological modulation of striatal cholinergic interneurons regulate motor, cognitive and emotional symptoms in Parkinson's disease”

ISN
International Society
for Neurochemistry

Certificate
for
International Society for Neurochemistry
and
International Brain Research Organization
Poster Award
conferred to

Uriya BEKENSTEIN
The Hebrew University of Jerusalem, Israel
for the poster entitled

“miR-211 is a neuronal regulator of cholinergic-induced seizures”
