

BP Doctor Memorial
Award fund for Young Investigators

Sunday October 17th, 2016

Chairs: Palmer Taylor, Israel Silman

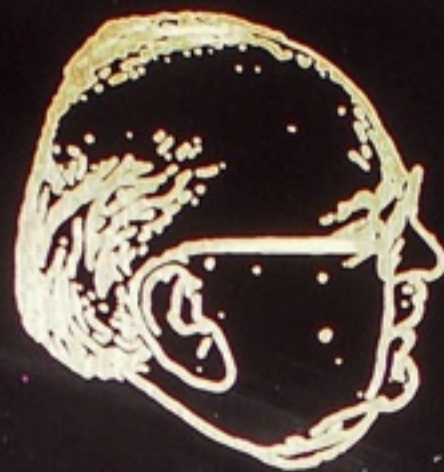

**B.P. DOCTOR
YOUNG INVESTIGATOR AWARD**

Presented To

GISELA ANDREA CAMACHO HERNÁNDEZ
Universidad Autónoma de Baja California, Tijuana, Mexico

*In recognition of meritorious science presented at the
XVth International Symposium on Cholinergic Mechanisms,
and in honor of a principal scientific contributor to
cholinergic mechanisms over many years,
B.P. Doctor of the Walter Reed Army Institute of Research*

**October 16-20, 2016
Marseille, FRANCE**

**B.P. DOCTOR
YOUNG INVESTIGATOR AWARD**

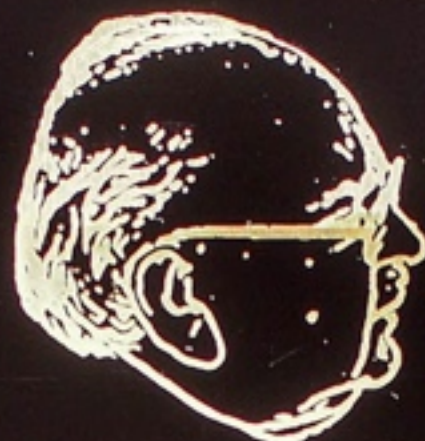

Presented To

MARIA-LETIZIA CAMPANARI

Institut du Cerveau et de la Moelle épinière, Paris, France

*In recognition of meritorious science presented at the
XVth International Symposium on Cholinergic Mechanisms,
and in honor of a principal scientific contributor to
cholinergic mechanisms over many years,
B.P. Doctor of the Walter Reed Army Institute of Research*

**October 16-20, 2016
Marseille, FRANCE**

**B.P. DOCTOR
YOUNG INVESTIGATOR AWARD**

Presented To

RAJNISH KUMAR

Karolinska Institutet, Stockholm, Sweden

*In recognition of meritorious science presented at the
XVth International Symposium on Cholinergic Mechanisms,
and in honor of a principal scientific contributor to
cholinergic mechanisms over many years,
B.P. Doctor of the Walter Reed Army Institute of Research*

**October 16-20, 2016
Marseille, FRANCE**

**B.P. DOCTOR
YOUNG INVESTIGATOR AWARD**

Presented To

JAYHARSH PANCHAL
Indiana University, Bloomington, IN, USA

*In recognition of meritorious science presented at the
XVth International Symposium on Cholinergic Mechanisms,
and in honor of a principal scientific contributor to
cholinergic mechanisms over many years,
B.P. Doctor of the Walter Reed Army Institute of Research*

**October 16-20, 2016
Marseille, FRANCE**

**B.P. DOCTOR
YOUNG INVESTIGATOR AWARD**

Presented To

KATRIN RICHTER

Justus-Liebig University, Giessen, Germany

*In recognition of meritorious science presented at the
XVth International Symposium on Cholinergic Mechanisms,
and in honor of a principal scientific contributor to
cholinergic mechanisms over many years,
B.P. Doctor of the Walter Reed Army Institute of Research*

**October 16-20, 2016
Marseille, FRANCE**

**B.P. DOCTOR
YOUNG INVESTIGATOR AWARD**

Presented To

LUIS EDUARDO SANTOS

Instituto de Bioquímica Médica – UFRJ, Rio de Janeiro, Brazil

*In recognition of meritorious science presented at the
XVth International Symposium on Cholinergic Mechanisms,
and in honor of a principal scientific contributor to
cholinergic mechanisms over many years,
B.P. Doctor of the Walter Reed Army Institute of Research*

**October 16-20, 2016
Marseille, FRANCE**

**B.P. DOCTOR
YOUNG INVESTIGATOR AWARD**

Presented To

NATALIA VASILYEVA
Lomonosov Moscow State University, Russia

*In recognition of meritorious science presented at the
XVth International Symposium on Cholinergic Mechanisms,
and in honor of a principal scientific contributor to
cholinergic mechanisms over many years,
B.P. Doctor of the Walter Reed Army Institute of Research*

**October 16-20, 2016
Marseille, FRANCE**

**B.P. DOCTOR
YOUNG INVESTIGATOR AWARD**

Presented To

NADAV YAYON

The Hebrew University of Jerusalem, Israel

*In recognition of meritorious science presented at the
XVth International Symposium on Cholinergic Mechanisms,
and in honor of a principal scientific contributor to
cholinergic mechanisms over many years,
B.P. Doctor of the Walter Reed Army Institute of Research*

**October 16-20, 2016
Marseille, FRANCE**

**B.P. DOCTOR
YOUNG INVESTIGATOR AWARD**

Presented To

**PASCALE MARCHOT
CNRS/Aix-Marseille Université, France**

*In recognition of meritorious science presented at the
XVth International Symposium on Cholinergic Mechanisms,
and in honor of a principal scientific contributor to
cholinergic mechanisms over many years,
B.P. Doctor of the Walter Reed Army Institute of Research*

**October 16-20, 2016
Marseille, FRANCE**
